

.NET Application Developer

Company Overview

As one of the first MCOs certified by the Ohio BWC, Sheakley UniComp, has been in operation since March 1997. An affiliate of The Sheakley Group, Sheakley UniComp is an Ohio Workers' Compensation Managed Care Organization dedicated to providing quality, cost effective medical care which will facilitate a safe and timely return to work.

Sheakley UniComp is one of the largest MCOs for workers' comp in the state of Ohio. The program promotes proper and continuous communication between the injured worker, the employer, the provider, and the Ohio BWC making the medical management of Workers' Comp claims easier for all parties involved.

- Responsible for project deliverables.
- Create and implement process improvements.
- Strong oral and written communication skills.
- Experience with the full software development lifecycle.
- Familiarity with Object-Oriented Programming and Design.
- VB.NET, .NET Framework 1.1, 2.0, 3.5.
- Advanced ASP.NET and ADO.NET.
- Web Design and Development skills.
- Enterprise application development with Smart Client applications.
- SQL Server design and programming skills-2000,2005, 2008.
- Visual Studio .Net.
- Windows 2003 Server, 2008, XP, SYSTEM 7.

Preferred:

- EDI
- Medical Billing/Workers' Comp Claims or Billing experience.
- Crystal Reports

Offering salary commensurate with experience. We are looking for candidates located in the tri-state area, as we will not cover relocation costs.

Sheakley's corporate office is located in the Tri-County/Springdale area and is surrounded by shopping centers and restaurants. Located in a safe area and close to public transportation drop off areas; Sheakley is an ideal location to work. Avoid the downtown traffic, and enjoy free and accessible parking in a private lot.

Our benefits plan is extensive.

Some of the benefits offered are Medical, Dental, Life, Short Term and Long Term Disability, along with a 401(k) Plan, Profit Sharing and a Flexible Benefits Plan. In addition, an Employee Assistance Program is offered free of charge and effective as of the date of hire! Sheakley offers a generous vacation and personal time off program as well. An equal opportunity employer.

This job description is not intended to be all inclusive and the employee will also perform other reasonably related business duties as assigned by the immediate supervisor and other management as required.
