We invite you to check in often and use this page as a resource to help you with your questions and help us understand the challenges you may be facing with your business and how we can help.

***Did you Know...*** Sheakley is proud to sponsor “The Buried Truth Uncovered” – the near death story of Eric Giguere? These presentations are free and will be held in the Cincinnati area. Please invite your fellow co-workers, family and friends as this powerful message will drive home the need for safety in the workplace. Please [click here](#) for more information. [Registration](#) is available online (please use policy # 99998).

Sheakley also offers safety webinars featuring a different topic each month. The following seminars are available to educate your employees and to help raise safety awareness. Our trainings are designed to not only increase your knowledge, but to develop a more proactive attitude toward safety in the workplace.

**November 17, 2011 (1:00pm-2:00pm) – Topic: OSHA at the Door...What do I do?**

**December 13, 2011 (1:00pm-2:00pm) – Topic: Department of Transportation Compliance**
